Annex 2 – Privacy statement for Procurement

Privacy statement for processing of personal data within the implementation of the public procurement procedures organized by ASB Greece

The processing of personal data by the ASB Greece for the purpose of implementing procurement procedures is subject to Regulation (EU) 2016/679 ('the Regulation' or 'the GDPR'). This is a specific privacy notice on personal data protection in relation to the processing of information by ASB¹ as part of a public procurement exercise in order to evaluate the proposals received in response to a call for quotation/tender referring to exclusion and award criteria set out in the Invitation to Tender (ITT) documents or Invitation to Quote (ITQ) documents and to award the contract to the best candidate who meets minimum standards required and submits the most economically advantageous quotation/tender in terms of quality/price evaluation.

Controller

ASB processes personal data in accordance with Data Protection Legislation namely the GDPR and any applicable national implementing Laws as amended from time to time. Procurement processing operations are under the responsibility of the Controller, ASB.

Description of processing operations and recipients

ASB organizes and launches procurement procedures through calls for tender. The largest part of tendering procedures has been either low value negotiated procedures or open tendering procedures. ASB may decide to launch restricted procedures, if needed. Those calls involve evaluation of submitted offers which are sent by bidders according to a set of criteria.

In principle, ASB collects the needed data on the last day for the submission of the offers. Exceptionally, those data are collected at a later stage if any document is missing.

Categories of personal data

The following categories of personal data are collected from the data subject and processed:

- Name
- Nationality
- Gender
- VAT number
- Contact details
- Work experience
- Education
- Trainings
- Academic background

¹ When on occasion ASB Greece commissions a third party, such as a consultant to assist with the procurement process their appointment will be subject to contractual obligations including confidentiality and data protection in respect of processing personal information. When ASB Greece collaborates with other Authorities or Shared Service providers for joint procurements, all parties involved in the process will be subject to the same confidentiality and data protection obligations as laid out in this Privacy Notice.

We acknowledge all terms and conditions of this ITQ reference to PR №: GR-IOA-028-2021

- Language and technical skills
- Date of birth
- Reference number of Passport or ID card
- Bank account details
- Financial turnover/accounts
- CV's of staff proposed for the provision of the goods/services/works
- Responses to questions as set out in a Standard Selection or Suitability Questionnaire of the ITT or ITQ on such matters including (but not limited to) Professional misconduct/Criminal Activity/Criminal Record/Health and Safety Records
- Evidence of the payment of social taxes

Purpose

The purpose of the processing is to use the various information in order to evaluate the proposals received in response to a call for quotation/tender referring to exclusion and award criteria as set out in the ITT or ITQ documentation and award the contract to the best candidate in terms of the most economically advantageous submission based on quality/price.

Recipients of personal data

Without prejudice to a possible transmission to the bodies in charge of a monitoring or inspection task in accordance with European Union/Greek law, internally, at ASB Greece, the procurement officer, the project manager of each tendering procedure, the members of the selection & evaluation panel(s), the DPO if needed, have access to those data. Externally, the European Commission, OLAF, internal audits, European Courts and local Greek courts and the candidates who have been unsuccessful; (for the cases of litigation) may have access to those data.

In case you are awarded a contract by ASB your personal information may be made public, in accordance with ASB Greece's obligation to publish information on the outcome of the procurement procedure and spend

How do we protect and safeguard your information?

Documents received from bidders are held securely within ASB Greece with access rights limited to named personnel who are involved in opening and evaluation and award only.

Any documents that need to be downloaded are stored on a secure server on a drive with dedicated folders accessible to staff conducting the procurement and evaluation of tenders only. Any physical files are stored in a lockable filing cabinet within ASB with restricted access rights.

Exercise of data subject rights

You have the right to access, update or correct your personal data and have them rectified. The right of rectification is obviously limited to the factual data after the award for reasons of transparency and equal treatment. Any such requests will be dealt with within 30 working days. Any correction of your personal information will be taken into consideration from the data protection point of view. The exercise of this right is guaranteed through the possibility to reach either the Controller or the Data Protection Officer.

Legal basis and lawfulness of the processing operations

We acknowledge all terms and conditions of this ITQ reference to PR №: GR-IOA-028-2021

----------------	--

The legal basis of the processing operations is Article 6 para. lit.b and f. GDPR.

Retention periods

Your data will be stored at ASB for maximum seven years in case of data of the successful bidder and for five years in case of data of the unsuccessful tenderers. This retention period is needed for auditing purposes and for the case of appeals and litigation.

Regardless of whether the bidder is successful or not, any extracts from the judicial records will be kept by ASB Greece for up to two years as of the day of the award decision.

Your data will not be kept from ASB Greece after the end of the above-mentioned retention periods.

Information to data subjects

The permanent publication of this privacy statement on ASB website shall be deemed as information to the data subjects about their rights. This privacy statement, as of the day of its approval by the Administrative Manager, will have to be included also in all invitations to tender launched by ASB.

Contact information

Should bidders have any queries or wish to complain about how we process your personal information, please address them in writing to the Controller at info(at)asb.gr.

You also have the right to complain to the Hellenic Data Protection Authority, at: Hellenic Data Protection Authority, Kifisias Avenue 1-3, 115 23 – Athens, e-mail: complaints@dpa.gr, FAX: +30 210 6475628.
